

The 61st Annual Spring Meeting of the Japanese Society of Clinical Cytology

We have been watching the development of coronavirus disease 2019 (COVID-19) closely since the outbreak with 24 hour update on the situation.

At the moment, we are planning to hold the 61st Annual Spring Meeting of the Japanese Society of Clinical Cytology according to the original plan.

However, the condition will change day by day. The detailed information regarding this will be announced as it's decided.

We appreciate your continued attention and cooperation.
